Special Village Meeting.

About 50 of the voters met at the school hall last evening in special meeting. The committee investigating permanent street construction made another report and recommended that Main street from the railroad crossing to Gov. Prouty's be regraded and a permanent street of cement be laid and other streets be regraded, surfaced with gravel and treated with Tarvia, the cost of the work to be about \$30,000. The village voted to accept the report and carry out the recommendations. The telephone and electric light companies are asked to aid the work by placing their wires under the street and doing away with the poles on Main street. A contract has been made for the laying of new sewers on Main and Third streets, costing about \$2300.

WEE, WE, OUI.

As they sat upon the sofa
You could see them—he and she.
And their smiles were bright and cheery.
Though the light was somewhat weak.
And he whispered, "Dearest Mabel."
As she sat upon his knee.
"Oh, we're only you and I now—
Would you like us to be 'we'?"
"If we marry, dearest Mabel,
I am sure we shall agree."
And dear Mabel blushed so sweetly
As she softly answered, "Oui."
